Dr. Istvan Marko Destroys the Myth of Global Warming...

INTO SLAVERY

"O My children, recognize, I repeat, the signs of your times. You are fast selling yourselves into slavery. Your government and the governments of the world are now almost in full control of the agents of hell." - Our Lady of the Roses, July 25, 1977

The above Messages from Our Lord and Our Lady were given to Veronica Lueken at Bayside, New York. [Read more](#)

by James Delingpole

Maybe the biggest of all the lies put out by the global warming scaremongers is that the science is on their side. No it isn't. And if you're in any doubt at all you should read this interview with the brilliant scientist István Markó. It tells you all you need to know about the science of global warming.

More importantly for the purposes of this interview, he was one of the world's most outspoken and well-informed climate skeptics, who contributed to several [articles](#) on the subject for *Breitbart News*.

Before he died, he gave an extensive interview to the French journalist [Grégoire Canlorbe](#). Here are highlights of the [English translation](#). As you'll see, he doesn't pull his punches.

CO2 is not – and has never been a poison

Each of our exhalations, each of our breaths, emits an astronomical quantity of CO₂ proportionate to that in the atmosphere (some >40,000 ppm); and it is very clear that the air we expire does not kill anyone standing in front of us. What must be understood, besides, is that CO₂ is the elementary food of plants. Without CO₂ there would be no plants, and without plants there would be no oxygen and therefore no humans.

Plants love CO2. That's why the planet is greening

Plants need CO₂, water, and daylight. These are the mechanisms of photosynthesis, to generate the sugars that will provide them with staple food and building blocks. That fundamental fact of botany is one of the primary reasons why anyone who is sincerely committed to the preservation of the “natural world” should abstain from demonizing CO₂. Over the last 30 years, there has been a gradual increase in the CO₂ level. But what is also observed is that despite deforestation, the planet's vegetation has grown by about 20 percent. This expansion of vegetation on the planet, nature lovers largely owe it to the increase in the concentration of CO₂ in the atmosphere.

There have been periods where the CO2 concentration was many times higher than now. Life thrived.

During the Jurassic, Triassic, and so on, the CO₂ level rose to values sometimes of the order of 7000, 8000, 9000 ppm, which considerably exceeds the paltry 400 ppm that we have today. Not only did life exist in those far-off times when CO₂ was so present in large concentration in the atmosphere, but plants such as ferns commonly attained heights of 25 meters. Reciprocally, far from benefiting the current vegetation, the reduction of the presence of CO₂ in the atmosphere would be likely to compromise the health, and even the survival, of numerous plants. To fall below the threshold of 280 or 240 ppm would plainly lead to the extinction of a large variety of our vegetal species.

In addition, our relentless crusade to reduce CO₂ could be more harmful to nature as plants are not the only organisms to base their nutrition on CO₂. Phytoplankton species also feed on CO₂, using carbon from CO₂ as a building unit and releasing oxygen. By the way, it is worth remembering that ~70 percent of the oxygen present today in the atmosphere comes from phytoplankton, not trees. Contrary to common belief, it is not the forests, but the oceans, that constitute the “lungs” of the earth.

It is not true that CO₂ has a major greenhouse effect. Reports of its influence have been exaggerated

It is worth remembering here too that CO₂ is a minor gas. Today it represents only 0.04 percent of the composition of the air; and its greenhouse effect is attributed the value of 1. The [major greenhouse gas in the atmosphere is water vapor](#) which is ten times more potent than CO₂ in its greenhouse effect. Water vapor is present in a proportion of 2 percent in the atmosphere. Those facts are, in principle, taught at school and at university, but one still manages to incriminate CO₂ alongside this learning, in using a dirty trick that presents the warming effect of CO₂ as minor but exacerbated, through feedback loops, by the other greenhouse effects.

Climate change is natural

Over the last 12,000 years, what we have witnessed is an oscillation between warm and cold periods, thus periods with rising and declining sea levels. Incontestably, sea and ocean levels have been on the rise since the end of the Little Ice Age that took place approximately from the beginning of the 14th century until the end of the 19th century. At the end of that period, global temperatures started to rise. That being said, the recorded rise is 0.8 degrees Celsius and is, therefore, nothing extraordinary. If the temperature goes up, ocean water obviously dilates and some glaciers recede. This is something glaciers have always done, and not a specificity of our time.

Don't worry about shrinking glaciers. We've been here before...

In Ancient Roman times, glaciers were much smaller than the ones we know nowadays. I invite the reader to look at the documents dating back to the days of [Hannibal](#), who managed to cross the Alps with his elephants because he did not encounter ice on his way to Rome (except during a snow storm just before arriving on the Italian plain). Today,

Sea level rise is normal

Sea levels are currently on the rise; but this is an overestimated phenomenon. The recorded rise is 1.5 millimeters per year, namely 1.5 cm every ten years, and is, therefore, not dramatic at all. Indeed, it does happen that entire islands do get engulfed; but in 99 percent of the cases, that is due to a classic erosion phenomenon^[1] and not to rising sea levels. As far as the Italian city of Venice is concerned, the fact it has been faced with water challenges is not due to any rise of the lagoon level and is just the manifestation of the sad reality that “the City of the Doges” is sinking under its weight on the marshland. Once again, the global sea and ocean levels are rising; but the threat effectively represented by that phenomenon is far from being tangible. I note that the Tuvalu islands, whose engulfment was previously announced as imminent, not only have not been engulfed, but have seen their own land level rise with respect to that of waters around them.

^[1] The island shores are eroded by the persistent pounding of the ocean waves. This is perceived as ‘sinking’ or as ‘sea level rise,’ but the upward creep of the waters is due to island soil being washed away.

The polar ice caps are fine too

Still another phenomenon we tend to exaggerate is the melting of the polar caps. The quantity of ice in the Arctic has not gone down for 10 years. One may well witness, from one year to the other, ice level fluctuations, but, on average, that level has remained constant. Right after the Little Ice Age, since the temperature went up, the Arctic started to melt; but the ice level in the Arctic finally settled down. Besides, ice has been expanding in Antarctica over the last 30 years and, similarly, we observe in Greenland that the quantity of ice increased by 112 million cubic kilometers last year. On a global scale, glaciers account for peanuts, with most of the ice being located in Antarctica and so on.

Extreme weather events are actually *decreasing*

From storms to tornados, extreme events are going down all around the world and, when they occur, their level is much lower, too. As explained by MIT physicist [Richard Lindzen](#), the reduction of the temperature differential between the north hemisphere and the equatorial part of our planet makes cyclonic energy much smaller: the importance and frequency of extreme events thus tend to decrease.

Recent warming is modest – much smaller than the alarmists’ various computer models predicted

that these predictions rely on calculations that are highly uncertain. This is because the simulation inputs cannot take into account past temperatures, for which there is no precision data^[1], except by subjectively adjusting x, y, z data that are not always known. The recent temperature spikes measured by satellites and balloons are part of a classic natural phenomenon which is called El Niño. This short-term phenomenon consists of a return of the very warm waters at the surface of the equatorial Pacific Ocean. The heat thus liberated in the atmosphere pushes up the global temperature and CO₂ plays no role in that process.

Claims by alarmist ‘experts’ that 2016 was that ‘hottest year ever’ are pure balderdash

Share:

The World Meteorological Organization – another emanation of the United Nations and which is also, like the IPCC, an intergovernmental forum – declares 2016 the year the warmest of history. Knowing that 2016 is supposedly hotter by 0.02°C than 2015 and that the margin of error on this value is 0.1°C, we see the absurdity of this statement. For those who don’t understand, this means that the variation in temperature can be of + 0.12°C (global warming) or -0.08°C (global cooling). In short, we can’t say anything and WMO has simply lost its mind.

No, ‘climate change’ hasn’t led to an increase in tropical diseases

Climate-related diseases are relatively rare; and even malaria does not directly depend on the climate, but rather on the way we enable the parasite to reproduce and the mosquito to flourish in the place where we are located. If you find yourself in a swampy area, the odds you will get malaria are high; if you have drained the system and you no longer have that wetland, the odds you will catch the disease are very low. In the end, automatically blaming the resurgence of some disease on climate change comes down to removing the personal responsibility from the people involved: such as denying that their refusal of vaccinations, for instance, or their lack of hygiene, may be part of the problem.

Again, CO₂ is *greening* the planet. And that’s a good thing. So stop demonizing it!

Present deserts, far from expanding, are receding; and they are receding due to the higher quantity of CO₂ available in the air. It turns out that greenhouse operators voluntarily inject three times as much CO₂ in the commercial greenhouse as it is present in the atmosphere. The result we can observe is that plants grow faster and are bigger, that they are more

SIN IS CONDONED NOW

"My children, I tell you now as your Mother that My tears fall upon you, for you do not know what you are doing. You are bringing upon you a great punishment.

"Are you so blind that you do not recognize the acceleration of sin among you? Murders abound, thievery, all manner of carnage, destruction of young souls, abortion, homosexuality, condemned from the beginning of time by the Eternal Father. Yet sin has become a way of life. Sin is condoned now, even unto the highest judges of your land and your lands throughout the world. As you have sown so shall you reap. Sin is death, not only of the spirit, but of the body. Wars are a punishment for man's sin, his greed, his avarice. Pride and arrogance is bringing down into hell mitres from My Son's House." – *Our Lady, August 14, 1981*

"For that one reason among many, the United States will suffer unless there is placed into your government a group that fears the Lord if they cannot love the Lord. They will fear Him and find measures to stop the slaughter of the unborn." - *Our Lady of the Roses, April 14, 1984*

A LIFE IS BORN

"There is a life, a spirit of life, My child, breathed into the body at the moment of conception. A life is born, a life has been sent by the Eternal Father with reason. For greed, for avarice, for a worldly gain, you murder the creations of the Eternal Father! You bring upon yourselves destruction!" - *Our Lady, August 5, 1975*

Our Lady of the Roses' Awesome Bayside Prophecies...

<http://www.tldm.org/Bayside/default.htm>

These prophecies came from Jesus, Mary, and the saints to Veronica Lueken at Bayside, NY, from 1968 to 1995:

REMAIN FAITHFUL AND TRUE UNDER SIEGE

"My child and My children, We have looked upon the world now and find that We are fast approaching the latter days. This will be a time of toil for all. Those who will work with Me shall be called now disciples of the latter days. Already, My children, you have gathered for some time. You all know who I am speaking to at this time. I say again, all those who have been picked from among Our vineyard of souls upon earth to come forward as disciples in the latter days to defend the Faith, to remain faithful and true under siege, shall gain Heaven and immortal life. You will find life everlasting with the Father.

"However, I acknowledge the fact that, My child, I have taken you from your home in a weak state; but you know how urgent it was from Our discourse with you all day today, My child, that you get here this evening. For the evil is accelerating in the world. We cannot hold back

SATAN STAGING HIS FINAL BATTLE

"My child, I have cautioned you in the past and I repeat Myself for your welfare and the continued progress of your work, your mission from Heaven, to close your ears to those who seek to destroy the Mission from Heaven with idle tales of gossip and untruth. Know, My child, that satan is staging his final battle against all of the children of God. The warnings given from Heaven have not been accepted by all, but I assure you, My children, that soon--and very soon, I say--you will all be forced to your knees.

"There is an accelerating web of evil that is extending itself into the lives of every man, woman, and child now upon your earth." – *Our Lady, December 24, 1976*

[Share](#)

WORLD STEEPED IN MURDERS AND FOUL DEEDS

"The state of the world that is now steeped in murders and all manner of foul deeds, reaching into the judicial systems of the world--this state has been brought about by the fall of mankind to sin. For when man seeks to build a world without his God, relying only on human knowledge and instinct, he can only meet with a sorrowful end.

"As I told you in the past, it will be father against son, mother against daughter, division in the homes, as this will be a product of the accelerating evils." – *Our Lady, March 18, 1978*

ONSLAUGHT OF EVIL ACCELERATING IN THE CHURCH

"I do not have to repeat to you the numerous warnings of the calamities that are to come upon mankind. All warnings were given as conditional. However, the groups of sheep have scattered and must be unified against the onslaught of evil that is accelerating and in My Church. I appeal to you, My children, to go forward in prayer and sacrifice and to approach Our pastors as disciples of Heaven. It is not the desire of the Eternal Father to set the Chastisement upon mankind. However, the Eternal Father will chastise those He loves.

"It is only through great suffering that your nation will emerge from the mire of sin and evil that it has led itself into by disregarding the warnings of My Mother through your years upon earth." – *Jesus, April 10, 1976*

THESE ARE THE LATTER DAYS

"My children, parents, I caution you again to take full charge of the rearing of your children by good example and giving them a true foundation for their faith, by bringing to your children the knowledge of their God and the commandments of their God.

"There is little upon earth now, My children, little in penance and atonement in comparison to the world's millions of people to make restitution for these offenses to the Eternal Father, little to hold back the

of earth's times. These are the latter days, and there will be a crucible of suffering. The saints shall come out of the fires of suffering." – *Jesus*,
July 25, 1977

STOP CHANGES

"Pastors, those who have in their care Our sheep, you must stop now these changes that you seek in novelty, for they are destroying the young souls and scattering Our sheep.

"I repeat, My children, the great Council in Rome of Vatican II, the promises were great, but satan sat among you and he played you like the chessboard.

"You were given a foundation of Faith based on Tradition and knowledge of the prophets. You cannot start this new religion, for it will lead you to one religion that is not of My Son, that will not have His true foundation, and you will take My Son's Body and defame it, no longer giving the knowledge of His Divinity. What manner of foul escapades are you planning, O you of little faith? Whatever shall become of you? The Red Hats have fallen and the Purple Hats are being misled. Woe, woe, woe to the inhabitants of the earth!" - *Our Lady*,
August 5, 1976

SAFEGUARD

"My child and My children, I need not repeat to you the necessity to retain tradition. It was like a valve, a safeguard from the eruption of My Son's Church, a schism, a division within My Son's House upon earth. I cry unto you, your Mother, as I hasten back and forth bringing you the Message, the counsel from Heaven. You must recognize--bishops, cardinals and pastors, you must recognize what is happening now in My Son's House. There is being rebuilt before your very eyes another religion, another church of man. No angels are helping in this building." - *Our Lady*, *September 7, 1978*

YOUR SIN

"Shall you stand, O Red Hats and Purple Hats, before My Son and say that your teaching has been pure in His sight? I say unto you: you cannot cover your sin. My Son looks into your hearts, and you too, who have received glory in your vocation upon earth--you too, without merit, shall be cast into the abyss of hell. Woe to the teachers who have gone forward with itching ears, implementing, experimenting with My Son's doctrines and teachings, casting aside all Tradition for a modern way. And this way is from satan!" - *Our Lady*, *May 20, 1978*

LIFE AND THE SPIRIT

"Yes, My child, there is a plan for each life the Father sends to earth. That is why We are much grieved, for many of the souls that the Father

"Life and the spirit enter into the being

HUMANAE VITAE*

"The encyclical of Pope Paul on birth control is true and must be followed by mankind. There shall be no rationalization of sin. There shall be no excuse for the murder of the unborn. Sin has become a way of life among mankind, but Heaven does not condone murder. Heaven cannot condone sin, though the Eternal Father in His mercy is most merciful and long suffering and forgiving." - *Our Lady*, October 2, 1976

**The encyclical letter, Humanae Vitae [Of Human Life] by Pope Paul VI, principally forbidding the use of artificial contraceptives in the regulation of births, under pain of mortal sin. It was issued in 1968 amidst great controversy generated by dissident theologians and others, who clamored for a reversal of this timeless doctrine. This godless pursuit was dealt a heavy blow when our Holy Father, speaking as the supreme teacher of the Church, gently but firmly articulated the constant teaching of the Church. We recommend that you read and study this momentous encyclical letter, Humanae Vitae.*

COMMON-LAW

"O My child and My children, never have we seen from the beginning of time a world in such chaos. And also, I shall not speak with words that affright your heart, my child, but I wish it known that this new modern role of what they call 'marriage without marriage'-which means living as 'common-law,' I understand--My children shall not be tolerated in Heaven. It was never the plan of the Eternal Father that man and woman shall live as animals.

"Fornication shall never be accepted. There is no excuse for fornication. If you cannot remain celibate, better then that you must then be married. It is better, My child and My children, to be married than to burn in hell.

"I also ask that all of My children of the world review the Ten Commandments." - *Our Lady*, November 1, 1985

BLACK CLOUD

"My children, when My Son returns upon your earth, will He find even a flicker of faith left in the hearts of mankind? In the days of Sodom, so too were men giving themselves over to all the pleasures of the flesh: eating, drinking, marrying, giving in marriage. All manner of sinful lusts were being committed. Men shameful with men, women casting aside their role of motherhood and lusting after women. As it was in the days of Sodom, so now is this black cloud over America." - *Our Lady*, July 14, 1979

"Your actions are observed by the Eternal Father Who looks into your heart. Pure thoughts, pure mind, pure spirit--what goes into the heart will come out." - *Our Lady, August 21, 1975*

SIN OF OMISSION

"The sin of omission shall condemn many to hell, be they layman or Hierarchy. I repeat: not the sin of commission, but the sin of omission will commit many to hell. Among them there will be also mitres." - *Our Lady, October 6, 1980*

THE UNITED STATES SHALL BE FIRST STRUCK

"One of the reasons the Eternal Father chose your city and your state for My appearance was because of abortion, the murder of the holy innocents. Your nation, without repentance, shall be the first struck." - *Our Lady, March 15, 1978*

THE UNITED STATES SHALL FALL

"How can a great country like the United States fall, you say, My child? You ask Me in your heart. I read your heart. I will tell you why. Because they have given themselves over to satan. When a country has lost its morality and seeks the pleasures of the flesh, giving over, themselves over, to all manner of abominations, like homosexuality, and condoning this up the highest courts of the land, then that country shall fall." - *Our Lady of the Roses, November 1, 1985*

FOULEST OF DEEDS

"Our hearts are torn because of the wanton murder of the young by evil man. Abortion, My children, is murder, the most foulest of deeds, that is punishable by death! And what is worse than death of the soul?

"All who become part of or condone abortion, the murder of the young, shall be destroyed!" - *Jesus, June 2, 1979*

HUMAN LIFE IS SACRED

"The Eternal Father command that you stop these murders at once! You will not destroy the lives of the unborn. Human life is sacred in the eyes of your God. No man has the right to destroy a life. The Father, He sends this life to you, and only He will decide when it will return back to the Kingdom.

WILL NEVER BE CONDONED

But We must have others who fervently will go forward and bring out to the minds of those who have actually seduced the country and the children--bring them the knowledge of Heaven, hell and purgatory. Then they will not have free license to sin." - *Our Lady, May 28, 1983*

GOVERNMENT

"For that one reason among many, the United States will suffer unless there is placed into your government a group that fears the Lord if they cannot love the Lord. They will fear Him and find measures to stop the slaughter of the unborn." - *Our Lady, April 14, 1984*

NUNS

"That is what makes My heart ache, My child. That is one of the reasons Theresa is crying constantly when she looks into the convents and sees what is going on. Many now believe in abortion, the murders of the children; and many have committed this act upon themselves." - *Jesus, October 1, 1988*

SIXTY MILLION

"I say this for this reason: the Eternal Father is much disturbed at the numbers of abortions being committed throughout your country and the world. These numbers go upwards to fifty to sixty million in one year throughout the world." - *Our Lady, June 18, 1986*

Women will cast it off under the direction of satan, and murder her children. Woe to the woman who does not repent of this vile abomination! She has walked the road to eternal damnation and hell. There are 4 Things You Must Have to Survive the End Times:

1.) The Douay-Rheims Holy Bible...

"I ask that all who hear My voice will take their Bibles, and if they do not have one, search, but find the right Bible, those printed not after 1965, My children." - Jesus, October 5, 1985

"You must all obtain a copy of the Book of life and love, the Bible. Do not accept the new mods. Try to find in your bookstores the old Bibles, My children, for many are being changed to suit the carnal nature of man. I repeat, sin has become a way of life." - Our Lady, October 6, 1992

"I must ask you all to read but a few short chapters a day now, the Book of life and love, your Bible. Knowledge must be gained for all the disciples of My Son, for you will be attacked by scientific minds. But do not be concerned what you will say to them when accosted, for the words will be given to you by the Spirit." - Our Lady, April 10, 1976

The Douay-Rheims Bible was published in 1899. It is the official Bible of the Roman Catholic Church. Almost all other Bibles have been rewritten by Satan. See: <http://www.tldm.org/directives/d33.htm> , <http://www.tldm.org/directives/d415.htm> and <http://www.tldm.org/directives/d182.htm> If you don't have a Douay-Rheims Bible order it now! ([Order Form](#)) Yours and your loved ones salvation could depend on it.

Read the Bible cover to cover. If you read 4 chapters a day, you will complete the whole Bible in 334 days. I have read the Bible 2 times and working on the third time. A 75 year old Baptism gentleman told me that he and his wife have read the Bible nine times. Wow!

The Virgin Mary brings directions from God, the Father in Heaven on how to survive the end times. Our Lord stated we must have crucifixes upon the outside of all of our outside doors. In the "Heaven's Home Protection Packet" there are instructions, four crucifixes, a tube of special cement for wooden or metal crucifixes. Wooden crucifixes adhere better to the doors when the aluminum strap is removed from the back. Put a light coat of cement on the back of the crucifix and then press it to the outside of the door. If you have any problems, you can call us at 616-698-6448 for assistance. This Heaven's Home Protection Packet is available for a donation of \$10.00 plus \$4.00 shipping and handling. Send \$14.00 to TLD Ministries, P.O. Box 40, Lowell, MI 49331. Item # P15 ([Order Form](#))

countries of the world. They are in possession of great power; so wear your sacramentals, and protect your children and your households. Learn the use every day of holy water throughout your household. Insist even with obstructions, insist that your children always wear a sacramental. One day they will understand that they will repel the demons."

On February 1, 1974, Our Lady said, "My children, know the value of these sacramentals. Guard your children well. You must awaken to the knowledge that you will not be protected without the sacramentals. Guard your children's souls. They must be surrounded with an aura of purity. Remove them if necessary from the sources of contamination, be it your schools or even false pastors."

Your names have been written in Heaven... "It is not by accident that you are called by My Mother, for your names have been written in Heaven.... But with this great grace you have great responsibility to send this Message from Heaven throughout the world, for if you are able to recover just one more for Heaven, an additional star shall be placed in your crown." - Jesus, August 5, 1975

A great obligation to go forward... "It is not by accident that you are called by My Mother, for it is by merit and the prayers that have risen to Heaven for your salvation. Do not expect a rest upon your earth, for you will have eternal rest very soon." - Jesus, June 12, 1976
